

## ~Supply List~

... For Mrs. Jung's Kindergarten class at Logos  
On the first day, there are a few things you  
will have to pack in your saddle bag (back pack)  
that you'll need for the trail:

**Water Bottle** (the tap water is not drinkable)

~This needs to be taken home every day and refilled

**Lunch Bag** (pack cold lunches)

**1 Box of Tissues** (for class use as needed)

**2 Non-Perishable Snacks** (enough for 19 kids)

**Button-Up Over-size (adult size) Shirt** (should be used)

~will be used all year for art

~Please clearly **mark everything you send** with permanent marker.

Uniforms should, also, be marked (especially sweaters and ties).

~Please do not send additional items. We use classroom pencils, glue, art supplies, folders, etc. This reduces clutter in desks and time spent searching through desks and cubbies.

~I request that students not bring toys to school. It is difficult to keep track of these and see that they are returned in the same condition.

\*The only exception to this is Show-N-Tell (when scheduled).

~Please send **only water** in water bottles as these will stay in their cubbies for use during class time. Juice can be sent for lunch time.
